COLUMBUS CEO NAMES MANIFEST SOLUTIONS CORP A WINNER OF THE COLUMBUS TOP WORKPLACES 2020 AWARD

Columbus, Oh- May 1st, 2020 – Manifest Solutions Corp., has been awarded a Top Workplaces 2020 honor by Columbus CEO. The list is based solely on [employee feedback](#) gathered through a third-party survey administered by employee engagement technology partner [Energage](#), LLC. The anonymous survey uniquely measures 15 drivers of engaged cultures that are critical to the success of any organization: including alignment, execution, and connection, just to name a few.

“For more than a decade, the Top Workplaces award has helped organizations stand out among their competitors to attract talent,” said Eric Rubino, CEO of Energage. “This differentiation is more important than ever in today’s tight labor market. Establishing a continuous conversation with employees so you have a deep understanding of your unique culture is proven to help achieve higher referral rates, lower employee turnover, and double the employee engagement levels. No longer is recognition simply a much-deserved cause for celebration, but it’s fast becoming mission-critical to establish a competitive advantage for recruitment and retention.”

“We are proud to announce we have been named a Top Workplace 2020 by Columbus CEO,” said Nancy Matijasich, CEO and Founder of Manifest Solutions Corp. “A big thank you to all our employees who helped make this happen. We are thrilled that this is our sixth year to have been selected as a winner and hope to continue our efforts to make Manifest a great place to work.” Manifest Solutions ranked in the Top 10 this year at # 8 in the Small Business category, moving up from the #17 spot last year. “Allowing us to deliver a quality service to our amazing clients is part of our 25-year success, our continued growth and helped to make 2019 our best year yet” said Chris Judd CTO and Partner of Manifest Solutions Corp.
